FROM THE TCCA GUIDANCE DEPARTMENT

Please see below for two opportunities offered through NHHEAF. The first applies to every junior high and senior high student through <http://www.kudernavigator.com/> .

The second applies to seniors who are homeless. Please pass the information on through your church and outreach programs with which you partner. Application for this second scholarship must be made by November 30, so please spread the word quickly.

- 1) Did you know the NHHHEAF Network Organizations offers **free** licenses to your students to use Kuder Navigator? This great career and college planning tool is easy-to-use and another great way to help students plan for their future.

Students may register by creating an account (please make sure they identify themselves as a "Student"), and use our **free** Activation Code N975876TCB to be off and running!

- 2) As part of our I Am Collegebound campaign, we are pleased to announce the attached scholarship opportunity for current high school seniors, included in the McKinney-Vento (Homeless) program. Applications are due Friday, November 30th, and ten (10) \$2500 scholarships will be awarded no later than Friday, December 14.

Applicants are required to create a profile on I Am Collegebound, and winners will be verified with your school's McKinney-Vento liaison. Winners will be required to meet with a Center for College Planning counselor to file the FAFSA and review college plans.
