About Rev. Nolder, International Student Coordinator

The Rev. Brian D. Nolder (M.Div., B.Mus.) is our International Student Program (ISP) Coordinator, as well as a middle and high school instructor in math, honors Theology, classical languages, and history. Rev. Nolder has always had a strong interest in missions. His call to the ministry began with a mission trip to China in 1988. Over the past decade, he has been privileged to go on mission trips to Russia and Eastern European countries such as Ukraine, Hungary, and Latvia. He is excited to return to China and use the upcoming recruiting trip as major step toward building TCCA's ISP.

TCCA IS GOING to ALL NATIONS!

Tri-City Christian Academy is entering an exciting new era, which will greatly enrich the experience of all our students! Rev. Brian Nolder, our International Student Coordinator, will be traveling to China this summer to establish contacts that will hopefully allow TCCA to recruit more international students. We had our first international student, Mariana Lishchinska, Grade 10, enroll for this current school year. Mariana is from the Ukraine, and she is very much looking forward to returning to us next year. Although Rev. Nolder's recruitment trip has promise of significantly helping this effort, we have no money designated in our school's regular budget for this approximately \$3,000 expense. Our school board has approved this notification to our TCCA parents with the hope of raising the necessary funds. Please prayerfully consider having a part in helping TCCA by making a one-time contribution to this promising endeavor. Personal checks, made out to TCCA for any amount, can be dropped off at either school campus, or they can be mailed to the school using the enclosed envelope. Credit card payments would be another option for making your tax-deductible (TCCA's TIN #: 02-0327570) donation to this important cause. Thank you for your consideration!
