CHRISTIAN ACADEMY

Dear Parent,

**EARLY REGISTRATION for 2017-2018, BEGINS FEBRUARY 1<sup>ST</sup>**

Tri-City Christian Academy will be again opening our reduced rate, Early Registration period to our current TCCA families only, beginning on February 1<sup>st</sup>.

Current families re-registering during the month of February will be assured placement for September. The reduced tuition rate Early Registration period will continue after February, through April 15<sup>th</sup>, but starting March 1<sup>st</sup>, we will also be accepting new and transferring students, along with any unconfirmed current students, on a first-come, first-serve basis.

Enclosed, you will find the Early Registration Tuition Rate Sheet, the Financial Responsibility Form, and the applicable application form(s). Our School Board, working in conjunction with our Parent Alumni Association Budget Committee, has evenly adjusted both the pre-April 15<sup>th</sup> and post-April 15<sup>th</sup> tuition rates for the next school year in order to allow Tri-City Christian Academy to continue to improve its program offerings and to advance in its service to our families.

In order to confirm your student's continuing enrollment for next year, you will need to complete and submit the following to the school office:

- 1. Student Application Form(s) – one per student**
- 2. Financial Responsibility Form (from each responsible party if more than one)**
- 3. Applicable Registration Fee**

Please see me if I can answer any questions regarding registering your children in our school for next year. Thank for your continued support of Tri-City Christian Academy.

Yours for Christian education,
