

Dear Parents,

Here at Tri-City Christian Academy we recognize the importance of home schooling and realize what a wonderful academic experience students are able to obtain through this opportunity. TCCA would like to offer to you and your family, the ability to expand on this experience. Here at TCCA we would like to offer your child the ability to play on our sports teams and help represent our school at a competitive level. TCCA offers an opportunity to incorporate the home school experience while participating in interscholastic sports, which will enhance your child's overall schooling experience.

Our programs foster a structured environment that promotes team building and strong fundamental skills while always encouraging personal growth. Our coaches are knowledgeable and skilled and incorporate TCCA values into their coaching styles. Below is a list of the programs that are offered at TCCA as well as a couple of new sports we are hoping to introduce into the program:

**Fall Sports:**

Soccer  
Volleyball

**Winter Sports:**

Basketball  
Skiing

**Spring Sports:**

Running/Kettlebell  
Golf
