

Tri-City Christian Academy

Referral Program

Tri-City Christian Academy offers an incentive for our current families that refer new families to our school. We want to welcome more families, who understand and appreciate the benefits of a quality Christian education, into our growing and diverse TCCA community.

A new family presenting this form with their application, will result in the referring family receiving a monthly tuition credit. The tuition credit will be up to \$500 for a one student family referred, and up to a \$1000 for a two or more student family referred (sometimes these credit amounts can vary, depending on the details of the referred family's circumstances). It will be applied over the 10 month school year, according to the months the referred students are enrolled.

Name of family being referred: _____

Student Name: _____ *Grade:* _____

Student Name: _____ *Grade:* _____

Name of referring family: _____
