

Referral Program Form

Tri-City Christian Academy offers an incentive program for our current families that refer new families to our school. We want to welcome more families, who understand and appreciate the benefits of a quality Christian education, into our growing and diverse TCCA Community.

Whenever this form is presented in conjunction with a new family's enrollment application, the referring family will receive a monthly tuition credit. The tuition credit will be up to \$500 for a one student family referred, and up to a \$1000 for a two or more student family referred. It will be applied monthly up to 10 months of the school year, according to how many months the referred students are enrolled.
